

Catherine De Padua, the dedicated owner of OAKTREE RESOURCE CENTRE, brings over 20 years of expertise in people and leadership development. As a seasoned trainer and facilitator, she has honed her skills in educating, coaching, and training both adults and children.

Her journey into the world of special needs education began with her daughter, Manuela, in 2005. Inspired by Manuela's experiences, Catherine founded Oaktree Resource Centre in 2017, after earning her Special Education Degree from Wawasan Open University & Nottingham University (UK).

With a heartfelt mission, Catherine and her passionate team of educators provide individualized education programs for children aged 5 to 21 with special learning needs. The center offers tailored support, aiming to empower these children with unique abilities, enabling them to discover their purpose in life.

Catherine's profound commitment to inclusive education drives the center's vision, making Oaktree Resource Centre a nurturing environment for children with special needs to thrive and succeed.

# CATHERINE DE PADUA

Catherine De Padua is the proud owner of OAKTREE RESOURCE CENTRE, a recently established center that specializes in offering individualized education programs for children with special learning needs.

## Professional Background:

Catherine is a skilled trainer and facilitator with a wealth of experience in people and leadership development, spanning over 20 years. Her expertise covers education, facilitation, training, and coaching for both adults and children. She has conducted workshops on various leadership skills, including Effective Feedback and Communication Skills, Conscious Leadership series, Leading A High-Performance Team, and more.

## Personal Journey:

Catherine's journey into the world of children with special needs began with the birth of her child, Manuela, in 2005. After accompanying Manuela through various schools for 12 years, Catherine felt compelled to establish her own learning center to cater specifically to children with special needs.

## Education:

Catherine holds a Degree in Special Education from Wawasan Open University & Nottingham University (UK).

## Establishment of Oaktree Resource Centre:

In 2017, Catherine founded Oaktree Resource Centre to provide comprehensive support for children with special learning needs, ranging from ages 5 to 21.

## Mission:

Together with a dedicated team of educators, Oaktree Resource Centre's mission is to equip children with special abilities, enabling them to discover and fulfill their unique purposes in life.
