

Dr. Charlotte Jane Joseph is a highly qualified Developmental Paediatrician based in Kuala Lumpur, Malaysia. She obtained her Bachelor of Medicine and Bachelor Surgery (MBBS) degree from Kasturba Medical College, India, in 1998. She completed her specialist training and obtained Fellowship in Developmental Paediatrics from the Ministry of Health Malaysia and the Royal College of Paediatrics and Child Health (RCPCH) in 2019. Dr. Joseph holds multiple qualifications, including Membership of the Royal College of Paediatrics and Child Health (MRCPCH) and a Professional Diploma in UK Medical Practice (DipUKMP) from the UK.

Dr. Joseph has extensive clinical experience, working as a Developmental Paediatrician in various hospitals in Malaysia, including Hospital Tunku Azizah and Hospital Sungai Buloh. She has presented research findings at national and international conferences and has received awards for her outstanding contributions to the field of paediatrics. Dr. Joseph is an active member of professional organizations, including the Malaysian Paediatric Association (MPA) and the National Specialist Registry for Developmental Paediatric.

Her expertise lies in developmental paediatrics, and she is currently involved in ongoing research projects related to autism spectrum disorder and parental stress. Dr. Joseph's comprehensive medical background and dedication to her field make her a valuable asset to the healthcare community in Malaysia.
